

Approved

This is to certify that

Richard Vermeer

has been checked by
LayerOne Cloud (Pty) Ltd CCA & Cybersecurity Services

STATUS: APPROVED

Conditions of issuing:

1. Validation - LayerOne Cloud (Pty) Ltd has issued this approved status certificate and badge to indicate that the company, project, contract or person named herein has been verified by LayerOne Cloud (Pty) Ltd but not to internationally accepted KYC and/or contract audit standards. The status as indicated above is for the validation date only as shown below; no other representations are made.
2. Validity - This certificate and related badge is only valid for the company, project, or person named herein and from the date indicated.
3. Liability - This certificate and badge offers no guarantee or warranty to any third party that the company, project, contract and related team members, leaders or owners are invulnerable to attacks, breaches or scams. LayerOne Cloud (Pty) Ltd accordingly accepts no liability to any third party in the event of loss or damage of any description caused by any failure in, or breach of, the subject's environment either on a prospective or retrospective basis.
4. Certificate ID: 1B337F44-415C-154B-AEE3-3427F7C93E42
5. Contract Address: NA
